

Greater New Orleans Housing Alliance

The Greater New Orleans Housing Alliance (GNOHA) was formed in the spring of 2007. It is a collaborative formed by the non-profit housing builders and community development corporations who are working diligently to rebuild the City of New Orleans after the flood brought by Hurricane Katrina devastated the City's infrastructure—specifically its housing stock. Mission Statement: To collaborate and support member efforts to build workforce housing for the citizens of the Greater New Orleans area in an ethical and efficient manner.

GNOHA meets the second Monday of every month over a brown bag lunch so the member organizations can exchange information and work together to advocate a collective vision. If you would like to become a GNOHA member or you would like more information you can contact Andreanecia M. Morris at 504.821.7227 or Maggie Tishman at 504.821.7236. You can also visit our website, www.gnoha.org, or follow GNOHA on Facebook at www.facebook.com/GNOHA.
